Solicitation of this information is authorized by the Civil Service Retirement law, Federal Employees' Retirement law, the Federal Employees Group Life Insurance Program, and the Federal Employees Health Benefits Program (Chapters 83, 84, 87, and 89 of title 5, U.S. Code). The information you furnish will be used to identify records properly associated with your application for Federal benefits, to obtain additional information if necessary, to determine and allow present or future benefits, and to maintain a uniquely identifiable claim file. The information may be shared and is subject to verification, via paper, electronic media, or through the use of computer matching programs, with national, state, local or other charitable or social security administrative agencies in order to determine benefits under their programs, to obtain information necessary for determination or continuation of benefits under this program, or to report income for tax purposes. It may also be shared and verified, as noted above, with law enforcement agencies when they are investigating a violation or potential violation of the civil or criminal law. Executive Order 9397 (November 22, 1943) authorizes use of the Social Security Number.
